### Example of how to read the figures:

Rio - the No 1 beef AI sire on Replacement Index

Bull Details			Replacement Index				Maternal cow and progeny traits			Calving			Semen Details					
Code	Name	Breed	Index	Rel %	Stars Across	Stars within	Maternal cow traits	Maternal progeny traits	Daughter milk (kgs)	Rel %	Daughter Calv Int (days)	Rel %	Calving diff %	Brd Avg	Rel %	Avail	Price	Supplier
RIO	RIO	SA	€170	95	5	4.5	€88	€82	10.1	98	-5.1	92	2.4	2.4	99	H	€10	NCBC

**Bull details**  
His AI code is RIO. His name is Rio and he is a Saler bull - breed code SA.

**Reliability %**  
He has extremely high reliability % figures for the maternal traits which means that it is highly unlikely that his evaluations will change in the future. He has 2,748 daughters in his proof.

**Daughter traits**  
His daughters are positive for milk and are also excellent for fertility (calving interval).

**Semen details**  
His semen is in good supply. He is €10 per straw and he is sold by NCBC (Progressive Genetics and Munster AI).
